Problem Solvers

Dealing with skin that has a bit of a breakout? Dark spots or uneven tone? Or is in need of a boost of moisture? Time to call in these problem solvers. Think of them as a team of quick-thinking, high-potency formulas you call on when skin is under internal or environmental assault.
Oil Control Mattifier
Lightweight oil blotting creme

- **For skin that is:**
  Combination, Oily, Very Oily

- **What it is:**
  A lightweight oil blotting creme with Chinese peony, saw palmetto, sesame seed and thyme.

- **What it does:**
  Gives skin an immaculate matte finish. This feather-light creme blots breakthrough oil and keeps surface shine at bay. Makeup stays put. Pores look smaller. Skin is free of shine – without feeling stripped.

- **Key Ingredients:**
  **Saw Palmetto:** Reduces oil, balances
  **Sesame Seed Extract:** Reduces oil, balances
  **Thyme White Oil, Thyme Extract:** Reduces oil
  **Tapioca Starch:** Mattifies, reduces oil
  **Chinese Peony Flower Extract:** Reduces oil
  **Canadian Willowherb:** Soothing, antioxidant, natural beta hydroxy

Absorbs excess oil
Provides a perfect matte finish
For any skin that experiences breakthrough shine
Helps makeup stay put

**pH Range:** 5.3 – 6.3

**Sizes Available:**
29 ML / 1 FL OZ

How to use at home:
Apply a thin layer over entire face, or apply just to oily areas. Follow with a Bioelements moisturizer or sunscreen. May also be applied as needed during the day.
Problem Solvers

Moisture x10®
A super-hydrating facial serum

- For skin that is:
  Very Dry, Dry, Combination

- What it is:
  A super-hydrating serum that boosts the efficiency of moisturizer with hyaluronic acid.

- What it does:
  Rapid relief for dehydration. Hyaluronic acid binds moisture to skin, dramatically increasing hydration to visually improve the appearance of lines and wrinkles. Moisture works more efficiently. Skin is smoother, feels softer.

- Key Ingredients:
  Hyaluronic Acid: A naturally occurring substance that retains up to 1000 times its weight in water. It binds moisture to surface layers.
  Dimethicone: Ultra-lubricating substance

PH Range:
5.5 – 7.5

Sizes Available:
(retail) 29 ML / 1 FL OZ

How to use at home:
Apply a thin layer over entire face and neck. Follow with a Bioelements moisturizer or sunscreen.

✓ Targets wrinkles and fine lines
✓ Smoothes and hydrates skin
✓ Boosts the efficiency of moisturizer

Full Ingredients Disclosure: Dimethicone, Glycerin, Water (Aqua, Eau), Hyaluronic Acid, Diazolidinyl Urea, Iodopropynyl Butylcarbamate, Carbomer, Sodium EDTA, Tromethamine
Problems Solvers

  Very Dry, Dry, Combination, Oily, Sensitive

- **What it is:**
  Skin-smoothing lightweight serum that protects against visible irritation caused by aggressive over-exfoliation, environmental irritants and chronic sensitivity.

- **What it does:**
  Comforts and cools stressed skin. Locks in moisture, smooths and improves texture.

- **Key Ingredients:**
  **Cyclomethicone and Dimethicone Crosspolymer:** Skin softening substances
  **Tocopheryl Acetate – Vitamin E, Retinyl Palmitate – Vitamin A:** Free radical fighting antioxidants
  **Extracts of Honeysuckle Flower:** Comforting
  **Green Tea:** Strengthening
  **Cornflower:** Comforting
  **Licorice Root:** Comforting
  **Spearmint Oil:** Cooling

- **pH Range:**
  N/A (pH does not apply to water-free products)

- **Sizes Available:**
  (retail) 29 ML / 1 FL OZ  (pro) 88 ML / 3 FL OZ

- **How to use in the treatment room:**
  Can be used as a Targeted Treatment in the Finish step of any Bioelements Facial.

- **How to use at home:**
  Apply a thin layer to entire face and neck. Follow with a Bioelements moisturizer or sunscreen.

- **✓** Protects against visible irritation caused by over-exfoliation, sensitivities or aggressive topical products

- **✓** Boosts skin’s resistance to environmental irritants

- **✓** Helps skin look healthy and feel exceptionally smooth

- **✓** Dermatologist and clinically tested to be non-irritating

Breakout Control
5% benzoyl peroxide acne treatment

- For skin that is: Combination, Oily, Very Oily, Acne
- What it is: A 5% pharmaceutical grade benzoyl peroxide lotion for acne breakouts that is light and hydrating. It works invisibly so you can wear it under makeup or alone.
- What it does: Clears acne pimples and allows skin to heal, as it helps prevent new acne blemishes.
- Active Ingredient: Benzoyl Peroxide 5%: Acne treatment

pH Range: 5.0 – 7.0
Sizes Available: (retail) 29 ML / 1 FL OZ

How to use in the treatment room: Can be used as a Targeted Treatment in the Finish step of any Bioelements Facial.

How to use at home: Cleanse skin thoroughly before applying. Cover the affected area with a thin layer 1 to 3 times a day. Because excessive drying of the skin may occur, start with 1 application daily, then gradually increase to 2 or 3 times daily if needed or as directed by a doctor. If bothersome dryness or peeling occurs, reduce application to once a day or every other day. If going outside, use a sunscreen. Allow Breakout Control to dry, then follow directions on the sunscreen labeling. If sensitivity develops, discontinue use of both products and consult a doctor.

✔ Dries and clears acne pimples
✔ Helps prevent new acne blemishes from forming
✔ Works invisibly under makeup or alone
✔ Dermatologist and clinically tested to be non-irritating

</thead>
<tbody>
<tr>
<td>Benzoyl Peroxide 5%</td>
<td>Acne treatment</td>
</tr>
</tbody>
</table>

### Uses
- For the treatment of acne.
- Helps prevent new acne blemishes.

### Warnings
- For external use only.

#### When using this product:
- Skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
- Avoid unnecessary sun exposure and use a sunscreen
- Avoid contact with the eyes, lips, and mouth
- Avoid contact with hair and dyed fabrics, which may be bleached by this product
- Skin irritation may occur, characterized by redness, burning, itching, peeling, or possibly swelling. Irritation may be reduced by using the product less frequently or in a lower concentration.

#### Do not use if you:
- Have very sensitive skin
- Are sensitive to benzoyl peroxide

#### Stop use and ask a doctor if:
- Irritation becomes severe

#### Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

### Directions
- Cleanse the skin thoroughly before applying this product
- Cover the entire affected area with a thin layer one to three times daily
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor
- If bothersome dryness or peeling occurs, reduce application to once a day or every other day.
- If going outside, apply sunscreen after using this product. If irritation or sensitivity develops, stop use of both products and ask a doctor.

### Inactive ingredients
- Water (Aqua, Eau), Pentylene Glycol, Polyacrylate-13, Polyisobutene, Polysorbate 20, Aloe Barbadensis (Aloe) Leaf Juice Powder, Phytic Acid, Phenoxethanol, Potassium Sorbate, Disodium EDTA
