Makeup Dissolver Perfected
Non-stinging makeup remover

- **What it is:**
  A simply perfect, non-stinging formula. Includes Bioelements unique MariBright Complex® – a calming blend of marigold and eyebright natural extracts.

- **What it does:**
  Removes all traces of makeup – even water-resistant formulas – as it comforts and preps skin for cleansing.

- **Key Ingredients:**
  **Bioelements MariBright Complex:** A gentle blend of marigold and eyebright extracts.
  **Orange Oil:** Soothing

**pH Range:**
6.2 – 6.8

**Sizes Available:**
- (retail) 118 ML / 4 FL OZ
- (pro) 236 ML / 8 FL OZ
- (spa) 1.8 L / 64 FL OZ

How to use in the treatment room:
Can be used in the Pre-cleanse step in any Bioelements Facial for all skin types.

Pro Tip:
Dip your Bioelements Treatment Brush in water and whip up Makeup Dissolver Perfected in your mixing cup to create a mild foamy consistency and apply to entire face and neck. Doing so will prevent the product from dripping.

How to use at home:
Apply with a damp cotton pad. Wipe downward on closed eyelids. Rinse off. May be used over entire face to remove makeup before cleansing.
