Remineralist Daily Moisture®
Pollution-neutralizing, lightweight hydrating lotion for modern day aging skin

- **For skin that is:**
  Very Dry, Dry, Combination, Oily, Very Oily, Sensitive

- **What it is:**
  Skin exposed to daily toxic pollution (exhaust, industrial smoke, ozone, free radicals) becomes prematurely aged, weakened, dull, dehydrated and sensitized. More than a moisturizer, Remineralist Daily Moisture is a lightweight lotion created to help skin protect itself from daily atmospheric stressors.

- **What it does:**
  This oceanic formula replenishes skin’s depleted minerals (copper, iron, manganese, selenium + zinc) to achieve the elemental equilibrium of young skin. An infusion of sea salt and red algae help detoxify and defend against stressors that cause lines, dehydration and irritation. Skin is endowed with even tone, renewed hydration, and powerful protection against the daily forces that cause aging.

- Increases skin’s moisture content up to 70%* in 15 minutes
- Delivers daily hydration with red algae, which increases skin’s own natural hyaluronic acid in the epidermis by 211% and ceramides by 56%.**
- With copper-rich malachite, which inhibits the superoxide anion (a highly reactive and highly unstable molecule induced by pollution) within the cell at a rate of more than 98%***
- Replenishes skin’s depleted minerals to achieve the elemental equilibrium of young skin
- Helps defend against atmospheric stressors that cause lines, dehydration and irritation

* Scientifically tested results of 69.87% based on a 15-woman biophysical measurement study
** Based on a 9-day ex-vivo red algae study
*** Based on malachite in-vitro testing
Moisturizers

Remineralist Daily Moisture®
Pollution-neutralizing, lightweight hydrating lotion for modern day aging skin (continued)

- Key Ingredients:
  - **Red algae**: Moisture-binding powerhouse harvested from the Baltic Sea; Protects against dryness and irritation caused by pollution by replenishing and maintaining skin’s Natural Moisturizing Factor (NMF)
  - **Malachite extract**: Copper-rich pollution magnet and heavy metal scavenger; Helps support skin’s natural cellular “damage protection” system and neutralize everyday skin-aging oxidative stress; Gives formula its natural blue hue
  - **Sea salt**: Mineral-loaded cocktail (iron, manganese, selenium + zinc) to replenish what pollution depletes and rebalance for proper skin function; encourages vibrancy, stabilizes hydration levels and helps skin absorb vital trace minerals and nutrients

How to use in the treatment room:
Apply to the face and neck during the Finish step of the Bioelements Pollution Neutralizing Facial.

How to use at home:
Apply to entire face and neck each morning after cleansing. Oily or combination skin types can wear it alone as a lightweight layer; Dry skin types can apply it over a serum for extra hydration. Follow with a broad spectrum sunscreen.

Really Rich Moisture®
Ultra-emollient creme moisturizer for very dry skin

- For skin that is:
  Very Dry

- What it is:
  An ultra-emollient creme moisturizer for very dry skin that saturates with intense, non-greasy moisture.

- What it does:
  Replenish missing moisture with this extremely rich creme for tight, uncomfortable and thirsty skin. It’s packed with non-greasy, emollient oils that saturate skin, correcting dryness and improving flaking. Skin becomes smoother. Fine lines appear to blur. That tight, pulled feeling disappears.

- Key Ingredients:
  Olive, Safflower, Jojoba and Avocado Oils: Smoothing, moisturizing and softening
  Shea Butter: Emollient
  Ginseng Root Extract: Comforting and strengthening

**How to use in the treatment room:**
Can be applied to the entire face and neck in the Finish step of any Bioelements Facial (excluding The Calming Facial and the Bioelements Acne Clearing Facial).

**Pro Tip:**
Can be blended with the appropriate Power Mask product based on client skin type and concerns.

**How to use at home:**
Apply to entire face and neck, day or night.

- **Saturates skin with non-greasy moisture**
- **Leaves skin feeling comfortable — never taut or dry**
- **Blurs the look of fine lines**
- **Dermatologist and clinically tested to be non-irritating**

**Custom Blending**
This product can be custom blended. For a how-to, see the custom blending chapter in this manual.

**Full Ingredients Disclosure:**

Moisturizers

Absolute Moisture
Lightweight facial moisturizer to balance combination skin

- For skin that is: Combination
- What it is: Lightweight facial moisturizer to balance combination skin and leave it smooth with self-adjusting moisture-binders.
- What it does: Intelligent self-adjusting hydrators balance combination skin’s water-to-oil levels, so every area gets the exact amount of hydration it needs. Absorbs quickly, leaving no oily feel or shine. Skin is smooth and soft, and lines are less visible.
- Key Ingredients:
  Sodium Hyaluronate: Hydrating substance that binds moisture to surface skin layers
  Sodium PCA: Softening, moisture-binding humectant
  Avocado, Almond and Jojoba Oils: Smoothing and softening natural oils

✓ Smoothes and softens skin
✓ Minimizes surface wrinkles
✓ Balances skin’s water-to-oil moisture level
